JOHN ZION WONG

johnzionwong33@gmail.com | +1 (650) 307-0108 | www.linkedin.com/in/john-z-wong

OBJECTIVE

An internship that would provide hands-on work experience and a better understanding of how technology solves real-world problems.

WORK EXPERIENCE & EXTRACURRICULARS

TENPAY @ TENCENT   **Singapore**
Forex Development Intern   **Summer 2024**
- Developed a batch-job chatbot system for Tenpay's Abnormal Order Notification System; Streamlined the system to improve user experience for employees (easier communication and emphasis on critical order details)
- Skills utilized include Java, Maven, SQL/MYSQL, Git, and Spring Boot

AI4ALL @ TEXAS A&M   **College Station, Texas**
Program Participant   **Fall 2022 and Spring 2023**
- Spring 2023 - **Apply AI**: Completed a Python project to assign probabilities of depression based on age, marital status, mood symptoms, and a variety of other factors. Planned and wrote code in a team of 3
- Fall 2022 - **Discover AI**: Completed a Python project for basic heart attack prediction based on age and sex, working in a team of 3. Learned supervised and unsupervised machine learning, decision trees, and the coding processes to implement them

FAIRPRICE ONLINE – #1-rated online grocery retailer in Singapore   **Singapore**
Business Operations Intern   **Summer 2019 and Summer 2020**
- Summer 2019: joined the Inventory team where I kept stock inventory using Excel, and created, faxed, and managed supplier purchase orders. Learned about inventory and procurement operations
- Summer 2020: joined the Pick-and-Pack team, where I prepared online orders by fulfilling them from a walk-in supermarket. Learned about supply chain operations and business productivity metrics

EDUCATION

TEXAS A&M UNIVERSITY   **Expected 2026**
Bachelor of Arts in Computing, Minor in Statistics
- Coursework: Data Structures and Algorithms, Discrete Structures for Computing, Computer Organization, Programming Languages
- Aggie Coding Club (2022 - Present)
- Aggie Data Science Club (2024 - Present)

SINGAPORE AMERICAN SCHOOL   **2022**
High School Diploma
- Blue Planet Initiative (2018 - 2022) – Earth day organization, beach cleanups, made bracelets for fundraising
- Chess Club (2020 - 2022) – Weekly sessions, learned new chess strategies
- Murals@SG (2021 - 2022) – Organized murals within Singaporean communities

MISCELLANEOUS
- **Skills:** Python, Java, C++, Maven, SQL, Git, Google Workspace, Project Management and Teamwork
- **Languages:** English (Fluent); Mandarin and Spanish (Novice)
- **Citizenships:** United States of America and Ecuador
